

Wheel Education Ltd

Learn to cycle for COMPLETE BEGINNERS

Dear Parent/Carer,

We have arranged for a playground based '**Learn to cycle in one hour**' session. The session is **funded by school**.

Date: 15th & 22nd September 2017

Where: Kirklevington Primary School

The session will be run by Wheel Education in the school playground.

The session is designed to successfully guide '**non-cyclists**' into being '**maiden voyage**' cyclists. Each rider will receive 2 sessions which will be 1 week apart to aid them in their development into cyclists.

You will need to bring a bike that is appropriate for your child's size. It **must** be in a roadworthy condition. Bike must also have a freewheel (rear wheel can't be turned when pedals are turned backwards). Please bring a cycle helmet, some warm, comfortable, close fitting clothes.

Please return the reply-slip below if your child **CAN'T** cycle and you wish them to be able to.

Thank you.

Kevin Kilcullen
