Dear Parents and Friends,

We are delighted to be able to provide the range of After School Clubs on offer and participation in these clubs continues to be high. This has led, however to the need to make some changes to make the administration of the clubs more effective. I am sure you will appreciate that the administration takes time and to avoid an increase in the cost of clubs we have made the following changes:

1. Children need to be signed up to one club for the duration of the term and movement from one club to another will not be possible mid term (with the exception of arts and crafts and wheelchair basketball this term);
2. Each child needs a separate form to sign up for the terms clubs;
3. **Payment is needed before the clubs commence for each half term (children will not be able to participate in clubs until this payment has been made);**
4. We are unable to give refunds for sessions missed through pupil absence or when on school trips (refunds will be given if club is cancelled by school or staff);
5. Children must be collected on time from clubs as staff are not available to look after children;

If any parents would like to help at any clubs, please let me know.

Thanks for your support.
