Willow- Daisy and Pippa

Birch- Emily and Chase

Chestnut- Samuel and Asher

Elm- Megan and Hector

Oak- Imogen and Amy W

Awesome Active Week

Everyone in school had an excellent week keeping active and learning about the importance of staying healthy. We were very fortunate to have such lovely weather conditions for all of the outdoor activities and we enjoyed cooking yummy food with Little Sprouts. Thank you to Miss Freeman for her hard work organising all of the fantastic activities.

Article 24- Children have the right to the best health care possible, safe water to drink, nutritious food, a clean and safe environment, and information to help you stay well.

Campaigning Club

Campaigning club is a new club within school set up by our Rights President Imogen and Vice President Amy. The group have chosen to focus on animal rights this half term and they are currently carrying out research within this area. The group plan to write letters and create posters to make a positive change. They are currently writing to Sir David Attenborough and eagerly anticipate a response.

Article 12- Children have the right to give your opinion, and for adults to listen and take it seriously.

UNICEF Shoe Share

We are helping UNICEF to change children's lives by collecting your old unwanted shoes.

Your shoes will help to change children's lives by buying educational equipment such as 'School in a Box'.

'School in a Box' can provide enough learning resources to educate up to 40 children.

A collection box for shoes will be set up in the school entrance next to reception from Monday 16th July until Friday 20th July.

On Friday 20th July, if your child is donating their old school shoes, please send them with a pair to change into and children will leave them at their desks before going home for the final day.

Article 28- The right to a good quality education.
