Campaign Week (Make a Change)

Well done all classes across school for your fantastic work this week. All classes were asked to make a change for the better this week either local or global.

Acorn- Completed work around the shoe box appeal and collected items for a shoe box.

Willow- We have learned about being kind to everyone to make the world and our classroom a peaceful place. We are working hard on being kind.

Birch- We chose to help polar bears from becoming endangered by creating posters to make people aware and by writing letters to inform important people such as Theresa May.

Chestnut- Our class focused on the global goal of poverty. We created posters to be sent to supermarkets to encourage them not to waste food.

Elm- We learned about plastic pollution and created leaflets to deliver to the houses in our village.

Oak- In our class we started to think about plastic pollution and we are going to continue our campaign by writing letters.

Right of the Month

Article 17- Children have the right to reliable information from the mass media.

Television, radio, and newspapers should provide information that children can understand, and should not promote materials that could harm children.

Harvest Festival

Thank you to everyone for all of your kind donations for the foodbank. We really appreciate the support to such a worthwhile cause.

Article 27- Children have the right to food, clothing, a safe place to live and to have your basic needs met.
