

**External Speakers Policy
March 2021**

Reviewed by Governors March 2022

Introduction

Kirklevington Primary welcomes many visitors to various events and to support our approach to a broad and balanced curriculum throughout the year: visitors make a contribution to the life and learning of the school and the experience and opportunities they bring are encouraged and appreciated. It is the school's responsibility to ensure that security and welfare of the whole school community is not compromised at any time. It is our aim to make sure that our school is protecting students and staff, during school time and in extracurricular activities and to ensure that visitors comply with the Visitors and Visiting Speaker's agreement. See Appendix 2)

This Policy should be read with the following policies:

- Safeguarding and Child protection Policy,
- Collective Worship Policy,
- Prevent Strategy,
- Keeping Children Safe in Education DfE 2020,
- Visitors Policy.

It is our objective to establish a clear protocol and procedure for admittance of external visitors to school, which is understood by all staff, governors, visitors and parents and conforms to child protection guidelines and The Prevent Duty 2015.

External speakers / Visitors

"External speaker"/ "Visitor" is used to describe any individual who is not a student or staff member of our school. This includes any individual who is a student or staff member from another school. All sessions organised with external speakers in and outside of our school building are still within the responsibility (and liability) of our school.

At Kirklevington Primary School, we encourage the use of external agencies or speakers to enrich the experiences of our students; however we will positively vet those external agencies, individuals or speakers, to ensure that we do not unwittingly use agencies that contradict or are in opposition with the school's values and ethos.

Our school will assess the suitability and effectiveness of input from external agencies or individuals to ensure that:

- Any messages communicated to students support British Values and our school values.
- Any messages communicated to students are consistent with the ethos of the school and do not marginalise any communities, groups or individuals.
- Any messages communicated to students do not seek to glorify criminal activity or violent extremism or seek to radicalise students through extreme or narrow views of faith, religion or culture or other beliefs and ideologies (must not incite hatred, violence or call for the breaking of the law).
- Activities are properly embedded in the curriculum and clearly mapped to schemes of work to avoid contradictory messages or duplication.
- Activities are matched to the needs of students.

We recognise, however, that the ethos of our school is to encourage students to understand opposing views and ideologies, appropriate to their age, understanding and abilities, and to be able to actively

engage with them in informed debate, and we may use external agencies or speakers to facilitate and support this.

Organising an event/ lesson with an external speaker

Permission should be granted by the Head teacher/ SLT before any visitor is asked to come into school. The Head Teacher and/or members of the Senior Leadership Team should be given a clear explanation as to the relevance and purpose of the visit and intended date and time for the visit. Our School reserves the right to cancel, prohibit or delay any event with an external speaker if this Policy is not followed or if health, safety and security criteria cannot be met.

The member of staff (organiser) who has invited the visitor to contribute in school is responsible for the activities that take place within their lessons/ events. The organiser must ensure that all speakers/ visitors are made aware of their responsibility in line with the school's safeguarding policy and by reading the Visiting Speaker's agreement (See Appendix 2). The organiser will ensure that the visitor is fully briefed.

No event involving any external speakers may be publicised or considered confirmed until the speaker has been cleared through the procedure detailed in this policy.

When organising an event or visit from an external speaker, the organiser will be asked for the following details:

- brief description
- details of the exact purpose of the visit
- name and contact details of the visitor
- start and end time of the event
- brief biography of the visitor

Any failure to disclose the full details of an external speaker may result in cancellation. The School will check all speakers' details, group links and other connections (on the first three pages of a search on the internet, using a suitable search engine, and any web link provided).

Any visit from an external speaker/ involved must be made no later than 14 days before the date of the event. Any request made outside of this timeframe may be rejected.

Procedure for Organising an Event with an External Speaker

- The organiser will notify the external speaker/ visitor of the Visiting Speaker's Policy and Agreement (Appendix 2).
- The organiser will ensure required details required for organising a visit, are collated.
- The organiser will complete the Visitor/External Speaker Booking Form.
- The organiser will carry out agreed checks on the external speaker.

Procedure for Researching a Speaker

The organiser will conduct a short check into all potential speakers using an open source check: searching the speaker and any organisation the speaker is affiliated with, on a suitable Search Engine and look at the first three pages of results. They will then repeat the search with 'controversy' added to the search terms.

If the speaker has a history of, or has in the past been accused of:

- Inciting hatred, violence or calling for the breaking of the law;
- Insulting or making derogatory remarks to other faiths or groups;
- Using threatening, abusive or insulting words or behaviour;

Then the details for the booking will be sent to the schools' single point of contact /designated safeguarding lead, for further investigation and guidance. The event will not go ahead as planned.

If no issues are identified, then the event/ speaker will proceed with event confirmation.

Reasons for details to be shared with SPOC/ DSL may include but are not limited to any of the following:

- any person or group on/or linked to the UK Government list of proscribed terrorist organisations
- talks by organisations generally considered to be extremist by Home Office, Cleveland Police, and related organisations
- a speaker who is known to have spoken previously at another institution on a topic that has caused fear or intimidation of students or staff
- a speaker accepted in mainstream as being highly controversial
- a speaker known to/or likely to cause harm to a specific group of staff or students
- a link or links, to any person or group that has, in those Google listings, been connected with any controversy of a negative or positive nature.
- a speaker who has significant profile and attracts a following that could create crowd control and health and safety issues.

A booking form will be emailed to external speakers or completed by the organiser.
