February- 10th March

Friday 15th March- Red
Nose Day

New RRSA Governor

Thank you to Kate Brown who has agreed to take on the role of our RRSA Governor. Kate met with the school steering group on Wednesday 30th January where they informed her of the importance of children's rights and their role as a steering group.

Plastic Recycling (A not from Campaign Club)

Following our work on Plastic Pollution, we have decided to collect old plastic pens throughout school. The pens include; biro, highlighters, whiteboard pens, mechanical pens and correction fluid pens.

We are collecting the pens for a charity called Ellie's fund which is part of the Brain Tumour Trust. The charity is able to gain money from recycling the products. The money raised from recycling the pens goes towards research into brain tumours.

We would like to set up collection boxes in classrooms. To do this we would like to use shoe boxes. If you have any spare shoe boxes at home, please send them to school. We would really appreciate this.

Thank you,
Campain Club

Article 24: Every child has the right to the best possible health. Governments must work to provide good quality health care, clean water, nutritious food and a clean environment so that children can stay healthy. Richer countries must help poorer countries achieve this.

Right of the Month

Article 4 Governments must do all they can to make sure every child can enjoy their rights.

Charlotte's Letter

Well done to Charlotte for writing a very convincing letter to the Beano. The letter was written to persuade the company to use a potato starch based plastic for their comics.

We hope you receive a reply soon.

Article 12: Every child has the right to have a say in all matters affecting them, and to have their views taken seriously.
