

# RRSA Newsletter September 2018

## Upcoming Events

### September

School Council Elections

### October

Harvest Festival  
Campaign Week

## World Peace Day

On Friday 21<sup>st</sup> September it was World Peace Day. Children thought about the importance of peace around the world and how this can cause disruption to the rights of children in different parts of the world.

**Children who are affected by an armed conflict should have special protection and care. Article 38**

## New Steering Group

Well done Charlotte and Louie on their new role as Rights President Vice President.

In our first meeting, we have discussed our steering group and in the next few weeks we will be looking to recruit new members.

This year will be a very important year for steering group as we hope to move to the next step in our RRSA journey and gain RRSA Gold Level.

Class teachers will be speaking to classes in upcoming weeks about the process of becoming a member of steering group and classes will choose their members to represent their class.

Good luck to all those wishing to be part of the group. We look forward to our first official meeting of the year where we have lots of things to discuss.

## Harvest Festival

Harvest Festival will take place on Tuesday 9<sup>th</sup> October. We will be collecting non-perishable food products for the local food bank. We would be really grateful for any donations made to school for this worthwhile cause.

**Article 27- Children have the right to food, clothing, a safe place to live and to have your basic needs met.**

## Right of the Month

Article 12- All children have a right to be able to give their opinion when adults are making a decision that will affect them, and adults should take it seriously.

## Campaign Club

This week our Campaign Club had their first meeting. They will be meeting each week on a Wednesday lunch time. All children from KS2 are invited to join the group and it is a fantastic opportunity for children to have their voices heard. The group has discussed plastic pollution and promoting animal rights as some areas of interest so far.

Last year we wrote to Sir David Attenborough and we received a reply with advice of ways we can help make a difference.
