

Behaviour and Attitudes

We want to make sure that we're all resilient and happy with a positive self-image; our whole community will be included in our PSHE and wellbeing work. This is more important because of COVID. We are working to make sure everyone is able to develop healthy, happy relationships and stay safe.

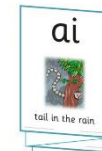

Leadership and Management

Mrs Lewis will work with our school Governors and all the staff to learn about our school and how she can help it become even better.

Leadership and Management

We want to make sure that all children in our school are welcomed by everyone, and feel safe and happy at Kirklevington Primary School. We will all work together and respect each other.

What are we doing to improve our school this year?

Behaviour and Attitudes

We are going to continue to offer extra activities and clubs so that you will have opportunities to play with: friends, practise different skills and help develop hobbies and interests.

Behaviour and Attitudes

We are going to keep making sure RRSA is an important part of our curriculum throughout school.

Quality of Education

We're going to use some assessments to help us understand how your brain works and to show us how we can help you in class.

Quality of Education

Your teachers will be helping you to become mastery mathematicians. They will help you to calculate much more quickly, and to solve word problems fluently. Practising your multiplication tables will help.

Steering Group will:

- Help duty bearers Make sure children's rights are shared clearly in all classrooms and round school.
- Work hard with the duty bearers in school to make sure we stay Gold Rights Respecting.

School Parliament will:

- Make suggestion boxes so all children in school have the chance to share their ideas to improve school.
- Organise events for charities both local and global throughout the year.

Sports Leaders will:

- Make sure all classes have access to playtime equipment.
- Offer and lead breaktime sports activities across school.
