Apologies for not getting the June newsletter out on time. I've had some technical difficulties, but better late than never! It's been another busy half-term full of fantastic successes.

First, we **celebrated Kirk Fest with our Summer Fayre**. This was a fabulous event and the weather was on our side – overall. Thank you again to our volunteers/helpers - who without their support we wouldn't have been able to offer as many school stalls and raise as much as we did to support the children of Kirklevington. We raised an amazing £1700 which has been added to the playground improvements pot and the WOW day. There were mascots visiting from CPAD IB and Great North Air Ambulance Service (GNAAS), who added to our celebrations. Thank you again to everyone who attended and made the day such a wonderful event!

The **after-school clubs** have been very successful this term as always. We hope that by offering a range of interests throughout the year, we have managed to appeal to a wide range of pupils from Y1 to Y6. Remember for further after-school childcare, we signpost towards our local childcare providers because being a small school we do not have the staffing capacity to offer extended hours of childcare. Questionnaire to follow for your opinions on the various clubs on offer and any you would like to see.

Thank you to staff, parents, families and our children **for 3 fantastic Sports' Day sessions**. All the children enjoyed the events and we thank you for your support and encouragement. Thanks also to the sporting groups of parents who joined in our parent races. It makes the events for your children, so thank you & well done!

As part of our playground improvements, we have successfully bid and will be receiving a **£4000 donation from the William Hall Trust** who offer financial support to the community of Kirklevington Village. We have combined this with some of our fundraising money to order two wooden sensory dens for the smaller playground. These will not be able to be installed at school until late September/early October, but they will be a fabulous addition to our Chill Zone playground. Thank you to the William Hall Trust for all their fabulous support of our children.

Best wishes!
Mrs Peacock

Article 28: You have the right to a good quality education. You should be encouraged to go to school to the highest level you can.

The Changeable British Summer Weather!

Please ensure your child comes to school with appropriate clothing for the weather forecast. We know it's difficult at the moment as one day is blazing hot sunshine and the next is cloudy and rainy...

WOW Day 2024

This year, we have booked an inflatable planetarium from Wonder Dome for the **WOW day on Tuesday 9th July**. The day will include a session in the planetarium with experts who will bring expertise about our Solar System to life for the children. In class, the teachers have planned exciting activities related to the topic. There will also be a whole-school packed lunch/picnic on the field (weather permitting), face painting and ice-cream, sorbet or other alternatives. We hope it will be a day filled with awe and wonder and is only possible due to your fantastic fundraising throughout the year, so thank you once again for all of your support!

In-school Transition

We had our in-school transition afternoon today, Friday 5th July. During this time, your child/children, met their new class teacher and created a new Rights Respecting School's Charter. We hope all children enjoyed their afternoon.

Office Opening Hours

Please note that the school office opening hours are 8.30am – 4pm. If you call out of hours, you can please leave a message or send an email to: kirklevington@kirklevington.org.uk. Please do understand though that messages will not be responded to until the office is open.
Many thanks!

Social Media

There are lots of photographs on our Twitter & Facebook accounts from the various school trips we've been on in June. Please follow us and keep up-to-date with what is happening.

Can you help...?

Does your workplace or business have a Corporate Social Responsibility Policy (or something similar whereby they offer local schools support)? We are always looking for fundraising opportunities and we believe that some companies offer schools help through these policies/ schemes. If you think you can offer the school support in this capacity, please call in and discuss the opportunities available.

Kirklevington Superstars

Congratulations!

Well done to Lily who recently passed her Federation of Artistic Roller Skating Skills test Grade 8.

Lily is learning lots of new skating skills from the championship skaters in her skating class.

Fantastic achievement Lily, well done!

Well done!

Congratulations to Ella, Grace and Orla and who all earned their First Aid badges at Rainbows. They learned how to call for help and do basic First Aid.

Well done girls for learning a valuable skill that could save a life.

Superstars!

A big well done to Ella, Isla, Penny & Gladys who took part in the Diva Dance Summer Show at The Arc. They danced multiple dances in front of a full audience.

Well done girls for your talent and bravery!

Sports Achievements

Congratulations to Alex for his recent win in the Under 14s at the Somerset Pony Premier.

Well done to Philippa who was asked to be mascot for the Gill Burns County Cup Semi-final of women's rugby.
